

ABOUT US

Located in Raleigh, North Carolina just 20 minutes from Chapel Hill, Durham and minutes from Cary, NC, TriMark Internet Marketing is one of North Carolina's fastest growing search marketing and development firms.

Our specialty lies in search marketing strategy and development and is centered primarily around maximizing our clients' online exposure, visibility and new customer acquisition.

EMPLOYEE THOUGHTS

TriMark is a great place to work. It truly fosters an environment for professional growth & development, learning & creativity. It offers many "think outside of the box" opportunities & presents different, unique problem solving challenges which help employees to grow as professionals. However, above & beyond everything else, TriMark is a great place to work because it's unique culture allows you to feel like you're part of a family & not just another number."

*-Daniel Hurst
Vice President of Operations*

2011 Employee Benefits

TriMark offers an intense, challenging and creative working environment with competitive employee benefits. Our rapidly growing organization offers incredible learning and growth opportunities. TriMark's company vision is to eventually be the industry leader in search marketing sophistication and expertise, and we anticipate internal growth over 100% throughout the upcoming 2011 calendar year.
